

# Show the world you mean **BIG** business. **BIG** vehicle graphics at smaller prices.

*Now you can put your name on the streets for a lot less with Budget Wraps. Budget Wraps creates the high-impact, large scale vehicle graphics that get noticed.*

**High-impact, big color graphics score up to 27,000 impressions every single day, building awareness for your products and services just by being on the road.**

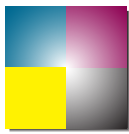

Vehicle advertising is one of the most affordable, cost effective ways you can advertise!

- 98% of observers polled said fleet graphics created a positive image of their company.\*
- 96% of respondents noticed the message displayed on trucks.\*
- 96% said fleet graphics had more impact than billboards.\*
- Only one-fifth the cost of traditional outdoor boards (just an average of 70 cents\*\* vs. \$3.55 per thousand impressions.)\*\*\*
- A fraction of the average cost of a one-third page newspaper ad (just 70 cents vs. \$19.70!) and one heck-of-lot bigger.
- Ultra durable graphics stand up to all kinds of weather, won't fade, peel or crack.
- Every Budget Wraps graphic job comes backed by the manufacturer - 3M Scotchprint® Graphics' MCS™ Warranty, the most comprehensive in the industry

# Budget WRAPS

VEHICLE GRAPHICS

High-impact graphics can do more to build your customers' incremental sales and brand recognition on a scale as small or as grand as you choose.

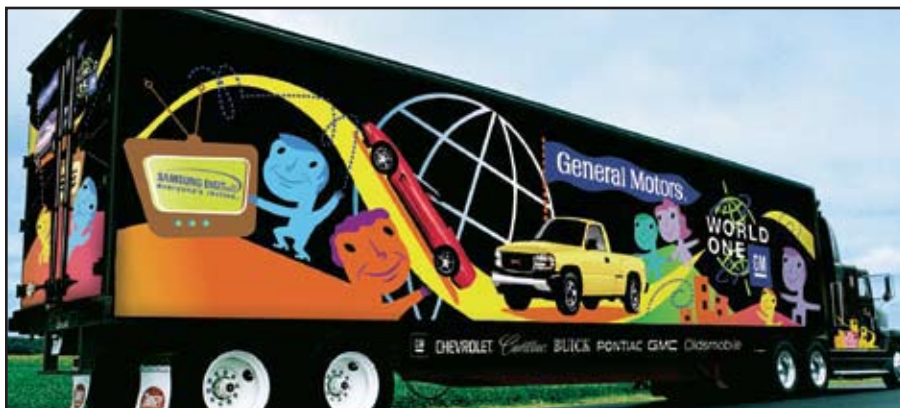

Budget Wraps creates high-impact Scotchprint® Graphics for applications that make consumers sit up and take notice, with spectacular color, clarity, durability, warranties and sizes for every need:

- With high quality, 3M Scotchprint® materials, your vehicle graphics will last a long time and withstand the elements.
- We provide graphics for all sorts of vehicles. From cars, trucks, commercial fleet, boats and even airplanes.
- High impact graphics allows your company vehicle to become a moving billboard to promote your business.

- 3M Scotchprint® Perforated Window Film allows you to take full advantage of valuable space without sacrificing visibility.
- Size is no issue when it comes to vehicle graphics.

Budget Wraps helps build incremental sales and brand recognition with high-impact Scotchprint® Graphics that make consumers sit up and take notice -- spectacular color, clarity, durability and warranties.

- High-quality 3M Scotchprint® materials last a long time and withstand the elements.
- Company vehicles become rolling billboards, promoting your business everywhere they go, everyday. Every square inch of vehicle surface -- even windows are open for promotion with 3M Scotchprint® Perforated Window Film which maintains maximum visibility from the inside out.
